

I Bioenergy Symposium

PhD Program USP-UNICAMP-UNESP

Join us on a daytrip exploring the past, present and future of Bioenergy in a Symposium organized by the PhD students from the Bioenergy PhD program.

December 12th, 2017

Salão Nobre – FEA – UNICAMP

Bioenergy: Why Brazil?

We will discuss Bioenergy in Brazil from different aspects: societal, scientific, politics, economics and history

The program was fully idealized by the students and will contain talks from:

- Professors from each university from the Bioenergy PhD program (USP, UNICAMP and UNESP);
- Industry and start-up;
- Students pitches;
- Poster sessions.

Subscribe until 5th December
