

5th WORKSHOP BIOECONOMY

Biomass valorization for chemicals

GGBS Auditorium - State University of Campinas (UNICAMP)

PRELIMINAR PROGRAM

1st DAY: March 21st, 2016

8h - Registration & Welcome Coffee

8:30h - Opening Ceremony

Gustavo Paim Valença (FEQ/UNICAMP)

Luuk van der Wielen (BE-Basic)

Paulo Coutinho (SENAI/CETIQT)

9h - 10:30h - Session 1

Know-how in large scale production of sustainable biomass for chemicals: Brazilian, Dutch and French experiences

Speakers: Brazil - Paulo Coutinho (SENAI/CETIQT)

Netherlands - Luuk van der Wielen (BE-Basic)

France - IAR Pole or CIRAD (to be confirmed)

10:30h - 12h - Session 2

Challenges for biomass valorization for chemicals

Speaker: Marcio H. Andrade (Braskem)

Panelists: Telma T. Franco (FEQ/UNICAMP)

Rubens Maciel Filho (FAPESP)

12h - Brunch

13h - 15:30h - Session 3

Strategies for biomass valorization for chemicals

Speakers: Guilherme Stroeh (Oxiteno)

Roberto Wernek (Braskem)

Panelists: Martin Mitchell (Clariant)

Eduardo Soriano (MCTI) - to be confirmed

15:30h - 17h - Session 4

What are the potential chemicals and how to add value?

Speaker: Netherlands - Corbion or Akzo Nobel (to be confirmed)

Panelists: Brazil - University/Research Center (to be confirmed)

France - IAR Pole (to be confirmed)

2nd DAY: March 22nd, 2017

8h - Reception & Welcome Coffee

8:30h - 9h - Analysis & Planning

9h - 10:30h - Breakout Sessions

Business Opportunities & Challenges for:

1) Bio-chemicals for petrochemicals replacement

2) Bio-chemicals from wood biomass

3) Bio-chemicals from sugarcane biomass

10:30h - 11h - Coffee break & Inventory of groups

11h - Consolidating roadmaps & agreeing on next steps

12:30h - Close meeting

Coordinators

Gustavo Paim Valença (FEQ/UNICAMP)

Luuk van der Wielen (BE-Basic)

Associated Coordinator

Paulo Coutinho (SENAI/CETIQT)

Registration:

www.agropolocampinasbrasil.org/5wspppbio

Limited number of participants

Support

Kingdom of the Netherlands
